*Office Memorandum* • UNITED STATES GOVERNMENT

TO : DDP/TRO

25X1A9a

DATE: 14 August 1958

FROM : FI/Training

SUBJECT: Training for FI Designees

In cleaning up my files for the IG visit, I ran across this memorandum of January 1956. It appears to be as appropriate now as when written. TAB C might provide helpful guidance to OTR at this point in planning for coverage of the FI function in the DDP Operations Course they will be developing for presentation a year from now.
